

2021 REISLING ESTATE

EOLA - AMITY HILLS
WILLAMETTE VALLEY · OREGON

Riesling is extremely receptive to its growing location and shows the characteristics in which it is grown with clarity – some might even say more so than Pinot Noir (gasp!). Our Riesling receives no oak or significant aging to modify its original character. This Riesling expresses the rocky soils and windswept slope on which it was grown.

VINTAGE

The 2021 Oregon harvest will be one to remember. It was dry with heat spikes throughout the summer. Fortunately, the grapes were unaffected by the historical “Heat Dome” that descended upon us in June. The other heat spikes shut down the vines and killed off mildews, which was an all-around benefit. The fruit was beautiful and balanced, with generous aromatics.

TASTING NOTES

Palest of yellow in color. The bouquet is heady, with notes of ripe mango contrasted with green gooseberry. The palate displays a quick and transient touch of sweetness before the piquant acidity steals the show.
