

2008 ESTATE PINOT NOIR

The 2008 vintage was among Oregon's finest. The growing season exhibited near perfect conditions for producing Point Noir with depth, richness, and ageability.

Our small 15 acre Estate Vineyard has 3 different soil types, 4 distinct slope exposures, and ranges from 675 ft to 820 ft in elevation. Our Estate Pinot Noir is an elegant blend of grapes from each estate block, bearing the distinctive characteristics of our entire vineyard.

Tasting Notes

Cherry red with purple hues. The nose exhibits concentrated black pepper, dark fruits, dusty bramble, and hints of cream. On the palate the wine shows mouth filling and slightly chalky tannins with savory fruit characteristics.
