

2020 *David's Block* PINOT BLANC

ESTATE GROWN • EOLA - AMITY HILLS
WILLAMETTE VALLEY • OREGON

This wine is made of Pinot Blanc grapes from “David’s Block”, a section of our estate named after the youngest, light-haired son of the family. Pinot Blanc is a white skinned variant of Pinot Noir, and although limited in Oregon, is widely planted in many cool regions of Europe. Our house style of Pinot Blanc is aromatically driven and medium in body, much like the wines of Austria and Alsace. We planted an Alsatian clone of Pinot Blanc in 2010 with a hunch that our vineyard was an ideal fit for this unique varietal.

VINTAGE

The 2020 wine harvest was full of challenges, as we had to contend with a pandemic, forest fires, and excruciatingly low yields. However, we were graced with what was truly the vintage of the decade in terms of fruit quality. Our 2020 vintage whites, pinks, and sparkling wines are pristine, dense, and intensely perfumed.

TASTING NOTES

Pale, nearly translucent in color. The aromas are richly perfumed and heady, with notes of orange blossom, honeydew, and cultured cream. The palate is full and mouth coating, with a dense texture and concentration.
