

2020  
*Willamette Valley*  
CHARDONNAY

---

EOLA-AMITY HILLS  
OREGON

Our Willamette Valley Chardonnay is bottled each spring following harvest. This wine is made to showcase the vibrancy and elegance of Chardonnay grown in Oregon's Willamette Valley.

#### VINTAGE

The 2020 wine harvest was full of challenges, as we had to contend with a pandemic, forest fires, and excruciatingly low yields. However, we were graced with what was truly the vintage of the decade in terms of fruit quality. Our 2020 vintage whites, pinks, and sparkling wines are pristine, dense, and intensely perfumed.

#### TASTING NOTES

Pale straw yellow in color. The nose is delicately layered with notes of lemon curd, apple blossom, and whispers of cream and nougat. The palate is light-footed and bright, while being equally soft and silky.

- Rachel Rose, Winemaker. Spring 2021.
