

2019 *Estate* PINOT NOIR

ESTATE GROWN • EOLA - AMITY HILLS
WILLAMETTE VALLEY • OREGON

The Estate Pinot Noir is a blend of wines from each of our soil types and spans the full elevational range of our estate vineyard, it includes every clone and every block of Pinot Noir we have. Our site has a bold, expressive, and unique flavor profile. Is it the volcanic soils, the strong winds, or the farming itself that builds the strong character? We think it is all of those things and more. Each vintage is a unique snapshot of our vineyard's development. In a sense it is a geographical time capsule, and lucky for us it can be conveyed by way of liquid libation.

VINTAGE

The 2019 Vintage was cool and temperate. The wines are distinctly bright and classically "Oregon" in style. These wines should age wonderfully and remain youthful and spirited for years to come.

TASTING NOTES & ACCOLADES

Vibrant plum skin purple in color, with a bright and expensive bouquet. Aromas of blackberry, white pepper, bergamot dominate the foreground as notes of sweet woodland spice and fresh cut fir and incense compete the bouquet. The palate is lithe and refined, and has the tension of a cooler vintage.

- Rachel Rose, Winemaker. Summer 2021.
