

## 2009 ESTATE PINOT NOIR

*The 2009 vintage was largely defined by warm temperatures and long hang times. We achieved high sugars, ripe tannins, and bright fruit characteristics during the growing season. Our 2009 wines show a lightness in spirit that make them extremely accessible, enjoyable and ready to drink.*

*Our small 15 acre Estate Vineyard has 3 different soil types, 4 distinct slope exposures, and ranges from 675 ft to 820 ft in elevation. Our Estate Pinot Noir is an elegant blend of grapes from each estate block, bearing the distinctive characteristics of our entire vineyard.*

### Tasting Notes

Garnet red in color, with bright ripe cherry and maraschino cherry on the nose. Primary fruit notes are shadowed by faint earth, tobacco, and wet granite notes. The palate is light and expressive, with a warm and clean finish.
