

2020 *Estate* RIESLING

EOLA - AMITY HILLS
WILLAMETTE VALLEY • OREGON

Riesling is extremely receptive to its growing location and shows the characteristics in which it is grown with clarity – some might even say more so than Pinot Noir (gasp!). Our Riesling receives no oak or significant aging to modify its original character. This Riesling expresses the rocky soils and windswept slope on which it was grown.

VINTAGE

The 2020 wine harvest was full of challenges, as we had to contend with a pandemic, forest fires, and excruciatingly low yields. However, we were graced with what was truly the vintage of the decade in terms of fruit quality. Our 2020 vintage whites, pinks, and sparkling wines are pristine, dense, and intensely perfumed.

TASTING NOTES

Light sunfleck yellow in color. The nose is generously perfumed with honeysuckle, plumeria, and jasmine. The palate is silky with a burst of sweetness on the entry and then deftly transitions to a bright and juicy midpalate and finish.
